Dear Bidder

RE: CANCELLATION OF RFP/LAB/WMS/2019/21 – LABORATORY WASTE MANAGEMENT SERVICES

Thank you for responding to the tender for Waste Management Services at our Laboratory in Pretoria with reference number RFP/LAB/WMS/2019/21.

The Perishable Products Export Control Board (PPECB) has evaluated your proposal against the specified criteria however after much consideration we regret to inform you that your company's proposal was not successful.

There was no award made due to all the bidders not meeting the requirements. We have revised the specification requirements and the tender will be re-advertised. We will also have a briefing session where the requirements will be clarified.

The targeted date for the tender to be re-advertised is the 18th of March 2019. We thank you for your understanding and look forward to receiving your tender.

Yours faithfully

Ikanyeng Matloko
